IN RE: Application of Kenneth M. Ellis d/b/a A&T)	ORDER DISMISSING
Specialty Movers for a Class E (HHG))	APPLICATION AND
Certificate of Public Convenience and)	RESCINDING
Necessity.)	AUTHORITY

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) to dismiss the Application of Kenneth M. Ellis d/b/a A&T Specialty Movers (A&T Specialty or the Applicant).

A review of the docket file reveals that A&T Specialty was granted authority to provide moving services of household goods in South Carolina under a Class E Certificate of Public Convenience and Necessity (Certificate) by Order No. 2005-470, dated September 7, 2005. A&T Specialty's grant of authority was conditional upon filing of proof of the proper insurance and an acceptable safety rating within sixty (60) days of the date of Order No. 2005-470, or within such additional time as may be authorized by the Commission, pursuant to Commission Regulation 103-133(5). Failure to complete the certification process by complying with the Commission's regulations or failure to request additional time to comply with the requirements shall result in the authorization approved in Order No. 2005-470 being revoked.

By letter filed November 16, 2005, the ORS advises the Commission that A&T Specialty has failed to comply with the rules and regulations of the as set forth in Order

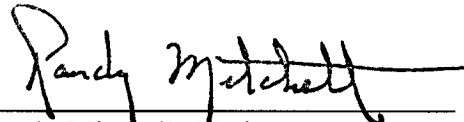

No. 2004-470. According to the ORS, the Applicant has neither filed the appropriate documentation nor requested an extension of time; therefore, the ORS requests the Application of A&T Specialty be dismissed.

The Applicant's compliance with such filing requirements was clearly expressed as a condition precedent to receipt of the Certificate and to the performance of the services authorized by Order No. 2004-470. After due consideration of ORS's request, the Commission is of the opinion, and so finds, that the Application of A&T Specialty for a Class E Certificate should be dismissed.

IT IS THEREFORE ORDERED:

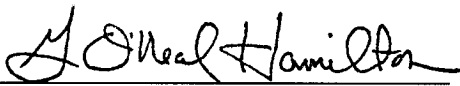

1. That the Application of Kenneth M. Ellis d/b/a A&T Specialty Movers for a Class E Certificate of Public Convenience and Necessity is dismissed.
2. That Commission Order No. 2004-470, dated September 7, 2005, granting Kenneth M. Ellis d/b/a A&T Specialty Movers authority to operate under a Class E Certificate of Public Convenience and Necessity is rescinded.
3. That this Order shall remain in full force and effect until further Order of this Commission.

BY ORDER OF THE COMMISSON:

Randy Mitchell, Chairman

G. O'Neal Hamilton, Vice Chairman
